The York River Symphony Orchestra is a peninsula-based community orchestra of professional and amateur musicians, who have joined together to perform. Each year we present a four concert series with occasional extra performances for special events. One of our extended goals is to showcase talented young musicians, and give them a chance to perform with a symphony orchestra.

The purpose of this letter is to request your help in passing information about the Young Artists Concerto Competition (YACC) on to qualified musically-talented students that you teach or know. The competition is open to students ages 12 to 21 who live or study in the Hampton Roads area, including the Williamsburg area. We encourage talented, interested string (including guitar), woodwind, brass, percussion, or vocal students to apply.

A flyer, rules and procedures, and an application form can be downloaded from the competition section of the orchestra website at [www.yrso.org/YACC](http://www.yrso.org/YACC) under "Documents and Forms."

**Music teachers:** please distribute these documents to interested students you recommend, and write an appropriate letter of reference for those who choose to apply.

**Interested applicants:** please download and print the above-mentioned forms, and ask your teacher to write the recommendation.

The deadline for receipt of the application form, teacher recommendation letter, and payment to YRSO for \$25 is Monday, November 4th, 2024. Please make sure anything arriving by US Mail is postmarked **on or before Wednesday, October 30th**. The mailing address is on the application form. If you have questions, feel free to contact me at [personnel@yrso.org](mailto:personnel@yrso.org) or 757-810-0927.

You may also contact co-chair Barbara Eger at [bfeger@yahoo.com](mailto:bfeger@yahoo.com) or 757-418-9515. We look forward to making this yet another successful competition!
